Service and advice fees paid by you

Your initial appointment is complimentary. At this meeting, Deanne Eriksen will explain how Sphere Financial Services Pty Ltd operates, what you can expect and the payment options. All fees and commissions payable by you will be explained to you at the time advice is given and will also be detailed in a Statement of Advice, Record of Advice and Product Disclosure Statement(s).

You will have the ability to select your preferred payment option from the options below prior to the provision of advice. All amounts noted below are inclusive of GST:

Fee for service – once-off

The product provider deducts a once-off fee for the services provided to you in relation to your account. This fee may be up to 1.16% of the amount invested and the total fee will depend on complexity and time involved. Alternatively you may elect to pay the once off fee for service by direct payment.

Statement of Advice (SOA)

A statement of advice fee is charged to cover the cost of researching, developing, and preparing your advice document. This fee ranges from \$1,650 to \$11,000 depending on complexity. This fee will be charged whether or not you choose to proceed with our advice.

Fee for service – implementation - initial

An initial fee for service represents the cost of implementing the advice contained in the SoA. This fee may be charged as a percentage of up to 2 per cent of assets under advice or charged as a flat dollar amount up to \$11,000.

Fee for service - ongoing

An ongoing fee for service represents the cost of providing our ongoing professional services to you. A summary of the services which you receive for this fee is contained in the SoA or in our services agreement. This fee may be up to 2.1 per cent per annum of assets under advice or charged as a flat dollar fee of up to \$14,000, or a combination of both options can be negotiated depending on the complexity of the advice and the agreed level of service being provided.
